**Re: Plan Amendments Effective April 1, 2006**

Dear Plan Member,

Please note the following Plan Amendments which will come into effect April 1, 2006:

1. Effective with disabilities arising on and after April 1, 2006, the deadline to file a claim for Weekly Disability Benefits is 60 days from the date of disability. Previously, Members were given 31 days from the date of disability to file claims. No exceptions for late filed claims will be made under any circumstance.
2. Effective with disabilities arising on and after April 1, 2006, no disability benefit will be payable for any period during which the Member is receiving, or is entitled to receive, an income replacement or loss of earnings capacity benefit under a motor vehicle accident insurance plan or policy.
3. With respect to motor vehicle accidents occurring on and after April 1, 2006, the Plan will not pay for medical, dental or other expenses arising from a motor vehicle accident if such expenses are covered under a motor vehicle accident insurance plan or policy.

Sincerely,

The Board of Trustees
