(a) Four (4) Union Trustees, representing the Union, shall be appointed by the Union in accordance with the constitution, bylaws and working rules of the Union. Such appointees shall be as certified in writing by the Union's president or other duly authorized officer.

(b) In accordance with the Nominating Policy, three (3) Independent Trustees shall be appointed by the Board of Trustees as so constituted at the time of the particular appointment. For greater certainty and notwithstanding paragraph 4.14(a), if there are one or more vacancies in the office of Independent Trustee on the Board of Trustees at the time when the Board desires to make one or more appointments to fill those vacancies, the Trustees who are then in office are authorized and empowered to make those appointments in accordance with the Nominating Policy. To be eligible to be appointed as an Independent Trustee, the person must not have any direct or indirect commercial or collective-bargaining relationship with the Union and must not have any other relationship which could reasonably be expected to interfere with the exercise of that person's independent judgment and discretion.

4.2 Each Trustee, upon the execution of this Agreement, or in the case of a successor Trustee, or any successor Independent Chairperson appointed pursuant to section 4.16, after signing an Acceptance of Trusts in the form set forth in Appendix A attached hereto, shall be deemed to have accepted the trusts created and established by this Agreement and to have consented to act as a Trustee.

4.3 Each Trustee shall continue to serve until the earlier of:

(a) the expiration of his term, which:

- (i) in the case of a Union Trustee, shall be such term (which is renewable) as may be designated in accordance with the constitution, bylaws and working rules of the Union or as may be designated by or in the instrument, decision or action whereby that Union Trustee is appointed, and

The notice shall state the date of such resignation or incapacity and shall be effective as of the later of that date and the date on which he ceases acting as a Trustee, except that in the case of a mental or other incapacity which precludes such Trustee from exercising his judgment as a Trustee, the Trustee's termination as a Trustee shall occur at the time that such incapacity arises. In the event of the death of a Trustee, his heirs, administrators, executors and assigns shall be fully discharged from all future duties and responsibilities in respect of this Agreement as of the date of his death.

- 4.7 The Board of Trustees may, by a two-thirds ($\frac{2}{3}$) majority and after sending written notice to a particular Independent Trustee, remove that Independent Trustee for just cause, incompetency or loss of independent status. Such removed Independent Trustee shall be deemed to no longer be a Trustee effective as of the date on which the Board of Trustees makes such decision to remove that Independent Trustee.
- 4.8 Any Trustee resigning or being removed and the personal representative of any deceased or incapacitated Trustee shall forthwith turn over to his successor Trustee, or if no successor is immediately appointed, to the other Trustees, any and all records, books, documents, money and other property and assets in his possession, forming part of the Trust Fund or incidental to his duties as a Trustee or otherwise relating to the administration of the Trust Fund and the Plan.
- 4.9 If any Trustee dies, becomes incapacitated, resigns or is removed, a successor Trustee shall within one hundred and twenty (120) days be appointed by the Union pursuant to paragraph 4.1(a) or the Board of Trustees pursuant to paragraph 4.1(b), as the case may be. Any successor Trustee so designated shall immediately, upon his Acceptance of Trusts being filed in writing with the Board of Trustees and with the office of the Trust Fund, become vested with all the rights, powers and duties of the other Trustees under this Agreement, with the like effect as if he had been originally appointed as a Trustee.
- 4.10 If a Trustee is removed or resigns as a Trustee as provided for by this Agreement and in particular sections 4.4 through 4.7 hereof, but does not cease to act as a Trustee, any of the remaining Trustees may make application to a court of competent jurisdiction in the province where such removed or resigned Trustee resides, for such relief as may be appropriate in the circumstances.
- 4.11 The Independent Chairperson, acting alone, or two (2) or more Trustees, acting in concert, may call a meeting of the Board of Trustees at any time, by giving at least five (5) days' written notice of the time and place thereof to each Trustee. Such notice may be delivered in person, by registered mail or by electronic mail, provided proof of receipt of such form of mail is evidenced.

- 4.12 The Board of Trustees shall appoint a recording secretary, who shall keep minutes or records of all meetings, proceedings and acts of the Board of Trustees. Such recording secretary need not be a Trustee.
- 4.13 Meetings of the Board of Trustees may be held at any time without notice, if all Trustees consent thereto. Meetings may be conducted with members present in person or by telephone or other communication facilities which permit all persons participating in the meeting to communicate with each other at the same time. Unanimous concurrence of the Trustees of any decision, as evidenced in writing, signed by them concurrently or in counterpart, is effective without a meeting of the Board of Trustees.
- 4.14 The quorum and voting principles applicable to a meeting of the Board of Trustees are as follows:
- (a) Two-thirds ($\frac{2}{3}$) of the Trustees then in office shall constitute a quorum.
 - (b) The decisions of the Board of Trustees shall be determined by a two-thirds ($\frac{2}{3}$) majority vote of the Trustees then in office, unless otherwise provided for herein.

- (c) If the Trustees cannot agree upon an impartial arbitrator within fourteen (14) days of the date of the meeting at which the deadlock was not able to be resolved, then any two (2) Trustees may request the Chief Justice of the Court of Queen's Bench of Alberta to appoint an impartial arbitrator.
- (d) The impartial arbitrator shall proceed to hear the dispute between the Trustees and decide such dispute. The written ruling of the impartial arbitrator shall be consistent with the provisions of this Agreement and the Plan and shall be binding on the Trustees.
- (e) The reasonable compensation of such arbitrator shall be paid by the Trust Fund. The arbitrator shall have jurisdiction to order that the reasonable costs of those parties appearing before him be paid by the Trust Fund.

4.16 In accordance with the Nominating Policy, the Board of Trustees shall elect an Independent Chairperson from among the Independent Trustees. The term of the Independent Chairperson shall commence on the date of his appointment as such and shall continue until the expiration of his then current term as an Independent Trustee. The Independent Chairperson may serve for successive terms, without limit. The Board of Trustees may, at any duly constituted meeting, by majority decision of the Trustees other than the Independent Chairperson, remove any Independent Chairperson before the expiration of his term. Written notice of such removal shall be given to the Independent Chairperson by the recording secretary or other designated officer of the Board.

4.17 The Board of Trustees may elect or appoint, from among the Trustees or other individuals, such officers as the Board determines and may determine the duties and responsibilities of those officers. The terms of those officers shall continue to the next Annual Meeting (as described in section 4.18) or until their respective successors have been duly elected or appointed.

4.18 The Board of Trustees shall hold at least four (4) meetings each year, one of which shall be designated as the Annual Meeting of the Board of Trustees. The Independent Chairperson shall be responsible for setting the date of each meeting of the Board of Trustees, provided that the Annual Meeting for a particular fiscal year of the Trust Fund

shall be held no later than six (6) months after the immediately preceding fiscal year-end of the Trust Fund.

to use the monies available in the Trust Fund to pay all expenses which the Trustees are authorized by this Agreement to incur and to provide for the payment of Benefits; and

(u) Cost-Sharing Agreements

to enter into cost-sharing agreements with any union (including the Union) or any other trust funds, so as to permit the Trustees to share expenses pertaining to the administration of the Trust Fund; provided that any amounts paid by the Trust

Fund to a union or another trust fund, in respect of the above expenses, shall be approved by the Board of Trustees as being prudent and reasonable.

- 5.4 Notwithstanding any other provision of this Agreement to the contrary, the Trustees may do all acts, whether or not expressly authorized herein, which the Trustees, acting reasonably and prudently, may in their absolute discretion deem necessary or proper for the protection of the Trust Fund.
- 5.5 The Board of Trustees shall, to the best of its ability, procure, or ensure they are procured or in place, fidelity bonds for the persons authorized to receive, handle, deal with, or draw upon the monies in the Trust Fund for any purpose whatsoever. Such persons shall be bonded in such amounts and in such manner as the Board of Trustees may determine. The cost of such bonds may be paid out of the Trust Fund.
- 5.6 The Board of Trustees may purchase such insurance as it deems necessary and advisable, including, but not restricted to, fiduciary liability insurance for the Trustees. The cost of such insurance may be paid out of the Trust Fund.
- 5.7 The Board of Trustees shall appoint an Auditor of the Trust Fund and an Actuary, and may appoint Consultants and Legal Counsel for the Trust Fund, who shall serve as required for the services required until their successors are appointed.
- 5.8 Each fiscal year of the Trust Fund shall end on the same date as the corresponding fiscal year of the Plan.
- 5.9 The Board of Trustees shall maintain suitable and adequate accounts and records of and for the administration of the Trust Fund, including detailed accounts of all investments and transactions related to the Trust Fund or made in the performance of their duties as Trustees. The Board of Trustees shall maintain a current record clearly identifying the assets of the Trust Fund and the name in which the assets are registered or held. The assets of the Trust Fund shall be registered or held in the form prescribed by applicable federal or provincial pension legislation. Such accounts and records shall be retained by the Board of Trustees for such periods of time as may be prescribed by applicable federal or provincial pension legislation or the Tax Act.

- 5.10 The books of account and records of the Board of Trustees, including the books of account and records pertaining to the Trust Fund, shall be audited at least once every year by the Auditor of the Trust Fund, as of the fiscal year-end of the Trust Fund. A statement of the results of the annual audit shall be available for inspection by interested persons at the principal office of the Trust Fund and at such other suitable place, if any, as the Board may designate from time to time.
- 5.11 The name of the Trust Fund may be used to designate the Board of Trustees or the Trustees collectively, and all documents, including all cheques payable out of the Trust Fund, to be executed by the Trustees shall be in such name and signed by those individuals authorized by a policy or resolution of the Board of Trustees.
- 5.12 The Trustees may commence such legal proceedings as they deem necessary and appropriate in connection with the enforcement of this Agreement and the administration of the Trust Fund as well as defending any legal proceedings which may be brought against them for having acted in the capacity of Trustee, the reasonable expenses for which shall be paid by the Trust Fund, except with respect to any proceedings brought against any Trustee in relation to any matter or thing arising out of his dishonesty, wilful misconduct or gross negligence.
- 5.13 The Board of Trustees, on behalf of the Trust Fund, may from time to time borrow money from any Bank, Trust Company, Insurance Company or other financial institution licensed to carry on business in Canada, where such borrowing is necessary to cover a short-term contingency and is for a period not exceeding the maximum period which may be prescribed by the EPPA, on such terms and conditions as may be necessary and appropriate in the circumstances; provided that all such terms and conditions shall comply with any applicable federal or provincial pension legislation and provided further that such borrowing:
- (a) is for a term not exceeding ninety (90) days,
 - (b) is not part of a series of loans or other transactions and repayments,
 - (c) is necessary:

- (i) to provide funds for the current payment of any Benefit authorized by the Plan, or
 - (ii) to permit the orderly disposition of investments and the acquisition of new investments during a planned conversion of any investments, and
- (d) is necessary to avoid resort to a distress sale of investments of the Trust Fund that would otherwise be necessary to pay such Benefits or acquire new investments.
- 5.14 The Board of Trustees may seek the advice, opinion or direction of an appropriate court on any matter pertaining to this Agreement, the Plan or the investment or administration of the Trust Fund.
- 5.15 No later than thirty (30) days after each Annual Meeting, the Board of Trustees shall provide the Association with a written report on the current status of the Trust Fund, which shall include (but need not be limited to) a summary of the decisions made and actions taken at the Annual Meeting and copies of the financial statements (for the immediately preceding fiscal year) approved at the Annual Meeting.

ARTICLE VI - CONTRIBUTIONS TO THE TRUST FUND

- 6.1 All Contributions shall be made payable to the Trustees of “The Edmonton Pipe Industry Pension Trust Fund”, or as the Trustees may direct from time to time.
- 6.2 The Board of Trustees may use all reasonable means to collect and receive all Contributions due to the Trust Fund, including those means provided for in any applicable federal or provincial pension legislation, and shall, promptly after receipt, deposit such Contributions in a special Trust Fund account, established with a Bank or Trust Company.
- 6.3 None of the Trustees, the Union, the Association, the Participating Employers, the Employees or any other person, association, firm or corporation shall have any right, title or interest in or to the assets of the Trust Fund, except as specifically provided by this Agreement and the Plan; provided, however, that nothing in this Agreement shall prevent a Contribution:

- (a) which is made by a Participating Employer in error, from being returned by the Trustees to such Participating Employer within two (2) years after the payment of such Contribution, or from being credited by the Trustees to such Participating Employer against other obligations owed by it to the Trust Fund, or
- (b) which is made by a Participating Employer or by an Employee, from being returned by the Trustees to such Participating Employer or Employee where the Superintendent has approved thereof in writing prior thereto, but only if and to the extent that the return of such Contribution is necessary to avoid the revocation of the Plan's registration under the Tax Act.

6.4 To the extent that a Participating Employer is a party to, bound by or otherwise subject to, this Agreement, the Participating Employer agrees that upon the written demand of the Trustees, it shall permit a chartered accountant acting on their behalf, or in accordance with their instructions, to:

- (a) enter upon the Participating Employer's premises at any reasonable time or times, for the purpose of carrying out an inspection, audit or examination of all books of account, documents, vouchers, payrolls, records, time sheets or any other material which may be relevant to the said inspection, audit or examination; and
- (b) make inquires of the Participating Employer or any persons employed or otherwise engaged by the Participating Employer, which persons shall produce all books of account, documents, vouchers, payrolls, records, time sheets or any other material which may be relevant to the said inspection, audit or examination;

in order to ensure that the Participating Employer has been complying with its obligations to make Contributions to the Trust Fund under this Agreement, any Collective Agreement, any Participation Agreement or any other agreement binding upon the Participating Employer and the Union. It is agreed that the chartered accountant shall not reveal any of the information or documents obtained by means of such inspection, audit or examination, unless the inspection, audit or examination reveals that a Participating Employer has failed to comply with its obligations to make contributions to the Trust Fund under this Agreement, any Collective Agreement, any Participation Agreement or any other agreement binding upon the Participating Employer and the Union, in which

case, the chartered accountant shall be entitled to reveal all such information or documents as are relevant to establishing the failure of the Participating Employer to comply with those obligations.

6.5 If a Participating Employer has failed to comply with its obligations to make contributions to the Trust Fund under this Agreement, any Collective Agreement, any Participation Agreement or any other agreement binding upon the Participating Employer and the Union, as revealed by such inspection, audit, examination or otherwise, the Participating Employer shall forthwith, upon written demand from the Trustees:

- (a) pay to the Trust Fund all sums which may have been determined by the inspection, audit, examination or otherwise to be due and owing by the Participating Employer, as well as interest at such rate as may be determined by the Trustees, from time to time, from the due date until such sums are totally satisfied; and
- (b) complete and remit any contribution report forms or other related and supporting documents which may be required of the Participating Employer;

and, if the amount of the Contributions which the Participating Employer failed to make to the Trust Fund for a particular month is greater than 25% of the amount of the Contributions actually made by the Participating Employer to the Trust Fund for that month, the Participating Employer shall forthwith, upon written demand from the Trustees:

- (c) pay to the Trust Fund all costs and expenses incurred by it in connection with or arising out of the inspection, audit or examination or otherwise;
- (d) pay to the Trust Fund on account of liquidated damages, an amount equal to ten percent (10%) of the total of all amounts found to be due and owing to the Trust Fund as aforesaid (it being acknowledged that the liquidated damages represent the administrative costs resulting from such failure to pay or otherwise carry out obligations and that the costs have been actually incurred, without requiring any additional proof thereof, and it being further acknowledged that the liquidated damages are on account of:
 - (i) inconvenience and burden imposed upon the Trustees,

- (ii) loss of any benefits, monetary or otherwise, to any Employees, and
- (iii) loss of benefit of the use of any funds,

in connection with a Participating Employer's failure to comply with the terms and conditions of this Agreement, any Collective Agreement, any Participation Agreement or any other agreement binding upon the Participating Employer and the Union);

- (e) furnish the Trustees with cash deposits of Contributions in such amounts and at such times as are determined by the Trustees, provided that the Trustees have given such Participating Employer reasonable notice of such requirement for deposits, the amount to be deposited, the dates such deposits are due and the basis on which the deposit is determined and required; and
- (f) furnish the Trustees, in lieu of cash deposits, with a bond with a reputable surety:
 - (i) with the Trustees as obligees thereunder;
 - (ii) in an amount, determined by the Trustees, consistent with the anticipated future obligations of the Participating Employer; and
 - (iii) with notice provisions acceptable to the Trustees, consistent with the purposes of such bond.

6.6 The Trustees are authorized to establish a reasonable and lawful grace period by the end of which Contributions must be received.

6.7 If a Participating Employer becomes delinquent in his Contributions and the Trustees place the account in the hands of Legal Counsel for collection, the said delinquent Participating Employer shall be liable for reasonable counsel fees and for all reasonable costs incurred in the collection process, including court fees.

6.8 An Employee who engages in any conduct, the effect of which is that a Participating Employer:

- (a) fails to contribute to the Trust Fund, as and when required, or

- (b) does not report the correct number of hours worked by the Employee or any other Employee,

shall, together with any such Participating Employer, be responsible for payment of such loss or damages suffered or incurred by the Trust Fund as a result of such conduct.

ARTICLE VII - AMENDMENT OF TRUST AGREEMENT

7.1 This Agreement may be amended in any respect, from time to time (retroactively or otherwise), by a two-thirds ($\frac{2}{3}$) majority vote of the Trustees, except that no amendment shall:

- (a) be inconsistent with the purposes of the Trust Fund or contrary to any applicable federal or provincial pension legislation or the Tax Act;
- (b) divert the Trust Fund, or any part thereof, to a purpose other than the provision of Benefits;
- (c) authorize or permit the return of Contributions to Participating Employers other than as provided herein;
- (d) eliminate an annual audit; or
- (e) vary an existing obligation of, or impose a new obligation on, a Participating Employer or the Association without the prior written approval of the Association.

7.2 Any amendment to this Agreement shall be filed as and when prescribed by applicable federal or provincial pension legislation or the Tax Act and the Trustees shall not make any payments from the Trust Fund or administer the Plan in any manner that reflects any amendment to this Agreement until such time as the amendment is filed under, and otherwise complies with, applicable federal or provincial pension legislation and the Tax Act.

ARTICLE VIII - TERMINATION

8.1 This Agreement and the Plan may be terminated at any time with the consent of at least three-quarters ($\frac{3}{4}$) of the Trustees, provided that no such termination shall be contrary to,

or in conflict with, any Collective Agreement requiring Contributions to the Trust Fund. Where the Trustees agree to terminate the Plan or the Plan is terminated pursuant to any applicable federal or provincial pension legislation, the Trustees shall take all such steps as are necessary to terminate and wind up the Plan and the Trust Fund in accordance with the Plan and any applicable federal or provincial pension legislation and the Tax Act.

- 8.2 Upon termination of the Plan and the winding-up of the Trust Fund, all expenses incurred in winding up the Plan shall be paid out of the Trust Fund in priority to Benefits.
- 8.3 Under no circumstances shall any portion of the capital or income of the Trust Fund, directly or indirectly, revert or accrue to the benefit of any Party Employer, any Participating Employer, the Union, the Association or the Trustees upon the termination and winding-up of the Plan and the Trust Fund.
- 8.4 The Trustees shall in the manner and at the times prescribed by the EPPA provide such information as may be prescribed by the EPPA to the Union, the Association and each member and former member of the Plan where the Trustees have determined to terminate and wind up the Plan and the Trust Fund.
- 8.5 The Trustees may merge the Trust Fund with another trust fund and merge the Plan with another pension plan, provided that such other plan has similar objects to the Plan and provided that the merger in all respects complies with applicable federal or provincial pension legislation and the Tax Act.

ARTICLE IX - ACCEPTANCE OF TRUSTEESHIP

- 9.1 The undersigned Trustees hereby accept the trusts created and established by this Agreement, consent to act as Trustees and agree to be bound by this Agreement and to administer the Trust Fund for the purposes set forth in this Agreement and in the Plan and in conformity with applicable federal or provincial pension legislation.

ARTICLE X - LIMITS OF LIABILITY

- 10.1 None of the Trustees, the Union, the Association, the Participating Employers or the Employees shall be liable or responsible for any debts, liabilities or obligations of the

Trust Fund, except as set out in this Agreement and any applicable federal or provincial pension legislation.

- 10.2 None of the Union, the Association, the Participating Employers or the Employees shall be responsible or liable for:
- (a) the validity of this Agreement;
 - (b) any delay occasioned by any restriction or provision in this Agreement, the rules and regulations of the Trustees issued hereunder, any contract procured in the course of the proper administration of the Trust Fund, or by any other proper procedure in such administration; provided, however, that this clause shall not excuse any violation of any Collective Agreement as it may affect the Trust Fund;
 - (c) the making or retention of any deposit or investment of the Trust Fund, or any portion thereof, or the disposition of any such investment, or the failure to make any investment of the Trust Fund, or any portion thereof, or any loss or diminution of the Trust Fund;
 - (d) any of the obligations or acts of the Trustees because the Union Trustees are in any way associated with the Union; or
 - (e) any Contributions required to be paid to the Trust Fund, other than their own Contributions as may be required or permitted under this Agreement.
- 10.3 The Trustees shall incur no liability, either collectively or individually, in acting upon any documents, data or information believed by them to be genuine and accurate and to have been made, executed, delivered or assembled by the proper parties.
- 10.4 No Trustee shall be liable for the act or omission of any other Trustee. The Trustees, and each of them, shall be entitled out of the assets of the Trust Fund, to be indemnified and saved harmless of, from and against any loss, expense, claim, demand, action or thing of any nature whatsoever, arising out of the performance or purported performance of their duties or responsibilities hereunder, except that this indemnity shall not, in any way, extend so as to protect any Trustee with respect to any matter or thing arising out of his own dishonesty, wilful misconduct or gross negligence.

ARTICLE XI - MISCELLANEOUS PROVISIONS

11.1 This Agreement, the Plan and any amendments thereto and all Trustees' decisions, statements of policies and procedures, bylaws, rules and regulations shall be binding upon the Trustees, the Union, the Association, the Participating Employers, the Employees and their respective heirs, executors, administrators, successors and assigns.

11.2 All notices, requests, demands or other communications provided for herein to be given, shall be in writing and shall be effectively given if delivered personally or by telegram or by prepaid first-class or registered mail:

(a) if to a Trustee, a Participating Employer, the Association, an Employee or the Union - at his, her or its last known address, as such address appears on the records of the Trust Fund from time to time; or

(b) if to the Trust Fund - at the address of the Trust Fund, from time to time;

or at such other address as may be provided in writing by a party to the other parties from time to time. Such notices, requests, demands and other communications shall be deemed to have been received when delivered, or if mailed, on the fifth (5th) business day after the mailing thereof; provided that in the event of a strike or other interruption in the normal delivery of the mail after the mailing of any notice, request, demand or other communication hereunder, but before the deemed receipt thereof as provided herein, such notice, request, demand or other communication shall not be deemed to have been received by the party for whom the same is intended, unless the same is actually delivered to such party as contemplated herein.

11.3 If any provision of this Agreement, the Plan, the rules and regulations made pursuant thereto, or any steps in the administration of the Trust Fund are held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of this Agreement, the Plan or the rules and regulations, unless such illegality or invalidity prevents accomplishment of the objectives and purposes of any Collective Agreement or this Agreement.

- 11.4 Wherever the singular and/or masculine and/or neuter is used throughout this Agreement, the same shall be construed as including the plural and/or feminine or a body corporate where the context or the parties hereto so require.
- 11.5 The headings used herein are for ease of reference only and shall not be deemed to form part of this Agreement.
- 11.6 Each of the parties hereto shall, from time to time and at any time hereafter upon each reasonable written request to do so, make, do, execute and deliver, or cause to be made, done, executed and delivered, all such further acts, deeds, assurances, things and written instruments as may be necessary in the opinion of any party, for more effectively implementing and carrying out the intent of this Agreement.
- 11.7 The Province of Alberta shall be deemed to be the situs of the Trust Fund and all questions pertaining to the validity, construction and administration of this Agreement and the Plan shall be determined in accordance with the laws of the Province of Alberta or, when applicable, in accordance with the laws of any other province.
